

# THE SUPERVISORS ARE BEING KEPT BUSY PROTECTING THE POLICE MOLOKANS WILL WORK

## One Coat of Whitewash Is Not Dry Before the Necessity Arises for Applying Another.

The police affairs of the county played considerable part in the proceedings of the Board of Supervisors at their meeting last night.

The investigating committee appointed to look into the charges of brutality at the police station, as was to have been expected, completely exonerated the Brown administration.

A petition from 27 registered voters of Waianae demanding the removal of Deputy Sheriff Chris Holt and Police Officer Joe Kuphea, for alleged cruelty, drunkenness and immorality, caused the sensation of the session, but as it has been left in the hands of the Police Committee, no unpleasant results to the parties complained of need be apprehended.

Present were: Chairman Smith, Supervisors Lucas, Cox, Archer, Moore; Clerks Kalaokalani, Buffandeau, Capt. Robert Parker, W. Marston Campbell, Capt. Sam Johnson, Stenographer Aea, County Engineer Gere, Sol. Mahelona.

The following communication from Supervisor Adams was read:

### ADAMS' ABSENCE.

Honolulu, April 23rd, 1906.  
G. W. Smith, Esq., Chairman Board of Supervisors, County of Oahu, T. H.

Dear Sir: Owing to the terrible earthquake disaster in San Francisco regular shipments of food stuff and plantation supplies from that point must necessarily be interrupted and disorganized, so it has been found necessary that I should go to the Coast and help in relieving the situation.

Under these circumstances I would respectfully request from the Board of Supervisors a leave of absence of three months.

Yours respectfully,

E. R. ADAMS,  
Supervisor-at-Large.

### APPROPRIATIONS.

After the minutes of the last meeting had been read, the following appropriations were made:

(Honolulu road tax (special deposit), \$3066.12.

The special committee, consisting of Moore and Archer and with Smith as a member ex-officio, submitted a report on its investigation of charges of brutality in the police department, which was accepted and placed on file without discussion.

### HOUSE NUMBERING.

House Numberer Murphy reported the completion of his labors. The district numbered from January 1 to April 30, is bounded by Leahi Ave., Monsarrat Rd., Diamond Head Ave., Waianae Ave., Waianae Rd., Paku St., Palolo Valley Rd., Kapahulu Rd., and Palikali Rd.

Chief Engineer Thurston of the fire department, submitted an estimate of \$4550 for the month of May.

### AN OFFENDING POND.

A communication from F. J. Church, manager of the Waikiki Seaside hotel, was read, in which it was requested that a rubbish-filled lily pond on Waikiki road, across from the hotel be properly filled in and made more sightly, by the county.

The board decided that it could not interfere, as the offending pond was private property.

### A RUDE LETTER.

The clerk started to read another communication from F. J. Church, requesting that the county put up a fence on the mauka side of the Waikiki Seaside hotel, from the bridge near the Moana to the Ewa side of the lily pond which has recently been filled in.

The reading of the letter had not proceeded far before the clerk exclaimed that it was discourteous and instructed the clerk to return it to the writer.

### The letter was as follows:

Honolulu, T. H., April 16, 1906.  
To the Board of Supervisors, County of Oahu, Territory of Hawaii.

Gentlemen: We make earnest request that you do not further delay in the matter of building the fence on the mauka side of the Hawaiian Annex property from the bridge near the Moana to the Ewa side of the old lily pond which has recently been filled in. Repeated promises have been made by individual members of your board, both to Mr. Dodge of Bishop Estate as well as to the writer, that work would commence "the next day," but apparently that day is always in the sweet mahohe. We wish to put in a lawn there, a line of Royal Palms the whole length of the property as well as other improvements, but naturally cannot do anything until the fence is in place. Trusting that you will see your way to attend to this matter at the earliest date possible, I remain,

Very sincerely yours,

WAIKIKI SEASIDE HOTEL CO., LTD.

### TROLLEY LINE ON MARKET STREET.

A temporary trolley line is being operated on Market street. The S. S. Alameda will be the first vessel to leave here for Honolulu. She will depart on April 30.

### NEW DOCKS AT OAKLAND.

It is proposed to build extensive docks in Oakland. The repairs to Stanford University are delayed. The new Chinatown will probably be located near the Presidio or Hunters' Point.

### KILLED BY FALLING CHIMNEY.

The steamer Alameda arrived yesterday from Honolulu. An earthquake yesterday afternoon broke the water pipes and killed one woman. She was struck by a falling chimney which had been weakened by the previous shock.

### WILL PROBABLY PAY INSURANCE.

NEW YORK, April 26.—It is believed that foreign insurance companies will meet their various obligations caused by the recent

aster in San Francisco. He did not think it was right for merchants to take advantage of a national calamity, to make gain at the expense of the populace which had contributed so liberally to the relief fund.

The chair concurred but did not see how human nature, which was evidently to blame in the matter, could be changed.

### THEY'RE AFTER HOLT.

A petition from 27 registered voters of Waianae was read, demanding the dismissal of Deputy Sheriff Chris Holt and Police Officer Joe Kuphea. A number of charges were appended including those of cruelty, drunkenness and immorality.

The matter was referred to the police committee for investigation. The meeting adjourned until Tuesday night next.

## CORNER IN OIL HAS COLLAPSED

The oil corner of Ah Leong has been most effectually broken by the arrival off port yesterday of the bark Mohican, with ten thousand cases of petroleum on board. As soon as news of the San Francisco disaster was received in Honolulu, Ah Leong conceived the notion that money could be made by engineering a corner in the petroleum market, and it was not long thereafter before he held all the illuminating fluid that was to be had. The price was advanced from \$2.50 to \$3.50 per case, and the prospects were that it would go still higher.

And then, just as everything was working smoothly, for Ah Leong, "Diamond Head" Charlie yesterday reported that he had sighted the Mohican, twenty-three days out from San Francisco. As it was known that the bark had a big lot of oil aboard, prices at once sagged back to the old figure. It is not likely that there will be any more corners in necessities in Honolulu. The sense of the business community is opposed to it.

## RETURNS THANKS TO MR. GAINES

Acting Governor Atkinson has written to Superintendent Gaines of the Cable Company thanking him for the excellent work done by the cable office staff during the San Francisco disaster. The letter was one of instruction on the eve of the departure of the Governor to Kauai, instructing Mr. Gaines to deliver all messages to Chief Clerk Buckland during his absence, and concluded as follows:

"I want to thank you again for the great care and attention that have been exercised by yourself and your staff since the recent trouble in San Francisco, knowing how overwhelmed with anxiety you all were. I can assure you that I thoroughly appreciate what you have done. I have the honor to be, sir,

"Your obedient servant,"

"A. L. C. ATKINSON,

"Acting Governor of Hawaii."

## CHINESE MONEY GOES BOTH WAYS

The decision arrived at by the local Chinese at their mass meeting on Tuesday night, whereby the boycott fund of \$15,000 is to be divided between the San Francisco Relief Fund and the Canton hospital, does not suit some of the subscribers to the fund and written protests have been received by Lum Bou, treasurer of the fund, against sending any of the money to China. These protestants think that the whole amount should be at once cabled to the Coast.

Chen Kam, president of the United Chinese Society, who is also president of the Boycott fund committee, says that the matter will be settled definitely at a meeting of this committee in a few days, which settlement will be along the lines proposed at the mass meeting.

"We will cable half our money at once to San Francisco and the other half to Canton and get it out of our hands."

This was said with an expression which told how well satisfied he would be when the money, which has been a bone of contention for some time, was at last out of his possession.

Benson, Smith & Co., Ltd., Agents for Hawaii.

## GENEROUS RESPONSE

The total contributions to the San Francisco Relief Fund in Hawaii are going to exceed \$60,000. This was the substance of the report presented at the informal meeting of the Relief committee, called yesterday afternoon by the Acting Governor. The members of the committee wanted to know just where they were at in the matter of funds and the report of Chairman McCandless, showing that all expectations were going to be surpassed, was most gratifying.

Up until yesterday afternoon there had been turned into the sub-committee \$42,000. This is exclusive of the large amounts voted for the Relief fund through the various societies, and the chairman reported that there was more to come.

"When Maui, Hawaii and Kauai are heard from," said Secretary Wood, "it will be found that the Territory of Hawaii has contributed over \$60,000 for the California sufferers. This is more than we had expected and shows that the sympathy of Hawaiians towards their unfortunate neighbors is widespread and deep."

The resolve to continue forwarding the names of relatives of Honoluluans, that they may be looked up by Fraser in San Francisco, was one of the important items of the meeting. During the past day or two, since the cable communication has been uninterrupted, no names have been cabled, the people themselves being relied on to cable the news of their condition, but it has been thought proper to allow the use of committee funds for this and last night over two hundred people were inquired for through the committee.

## JAPANESE CONSUL GETS NO ANSWER

No answer has been received at the Japanese Consulate to the cabled inquiry for further information concerning the San Francisco Japanese. This inquiry was sent to the Japanese Consul at the Coast by Vice-Consul Matsubara, but did not contain the expressions of doubt quoted by one of the evening papers, which mixed up the message with some personal observations of Mr. Matsubara.

As announced by the Advertiser the Honolulu Japanese are acting in concert with the Relief Committee, having decided at a mass meeting to take no action as a class.

"It is a great pleasure for us to co-operate with the entire community in giving relief to the San Francisco sufferers," said the Vice-consul. "At the same time I cherish personal gratification for the generous action of the"

## ATTACKED THE HEART

NEURALGIA IN THIS FORM IS OFTEN FATAL.

A Complicated Case Cured to Stay Cured by Dr. Williams' Pink Pills.

Neuralgia in any form is painful but when it attacks the heart it is frequently fatal. Complicated with indigestion of a form that affected the vital organ it threatened serious consequences in an instance just reported. The case is that of Mr. F. L. Graves, of Pleasant Hill, La., who tells of his trouble and cure as follows:

"I traveled considerably, was exposed to all kinds of weather and was irregular in my sleeping and eating. I suppose this was the cause of my sickness, at any rate, in May, 1905, I had got so bad that I was compelled to quit work and take to my bed. I had a good doctor and took his medicine faithfully but grew worse. I gave up hope of getting better and my neighbors thought I was surely going to die."

"I had smothering spells that it is awful to recall. My heart fluttered and then seemed to cease beating. I could not lie on my left side at all. My hands and feet swelled and so did my face. After reading about Dr. Williams' Pink Pills in a newspaper I decided to try them and they suited my case exactly. Before long I could see an improvement and after taking a few boxes I was entirely cured. I am glad to make this statement and wish it could cause every sufferer to try Dr. Williams' Pink Pills."

Dr. Williams' Pink Pills do not simply deaden pain, they cure the trouble which causes the pain. They are guaranteed to contain no narcotic, stimulant or opiate. Those who take them run no danger of forming any drug habit. The pills are a blood and nerve tonic and they cure Mr. Graves because they fed the nerves through the blood. They act directly on the blood and it is only through the blood that any medicine can reach the nerves. In this way they have cured the most severe nervous disorders such as partial paralysis, locomotor ataxia, St. Vitus' dance and all sorts of nervous weakness. They are useful in a special way to women and growing girls. Dr. Williams' Pink Pills are sold by all druggists or will be sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y.
